**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support and value my local internet provider and appreciate the competition. Please do not institute price hikes that will hurt that competition for local providers.

Broadband is critical to my home business. I was with AT&T for many years and switched due to several problems. For the past 5 years, I've had no issues with my local provider.

Thank you.
